

Weekly Report

Dear students,

In this course, each group is required to submit a weekly working report on Moodle. The report must include the tasks completed during the week and the task allocation for each group member.

Submission Format

Please submit one ZIP file named GroupXX_YY.zip, XX: id of the group, YY: id of the week, (e.g., Group02_02.zip) containing at least the following files:

- GroupID.md (<http://GroupID.md>): the weekly report written in Markdown
- GroupID.pdf: the PDF version of GroupID.md (<http://GroupID.md>)
- Other supplementary files (if any)

Weekly Report Content

General Information

- Group ID
- Group Name
- Project Name
- Date range (Monday to Saturday), e.g., 2026-01-19 – 2026-01-24

Tasks Completed This Week

For each group member, list the completed tasks as follows:

StudentID – Full Name

- Task 1 (one task per line)
- Task 2
- ...
- Evidence: Jira tasks (text), output documents, or other relevant artifacts

- Note: Each task should be carried out by only one or two members, not more.

AI Usage Declaration

Describe how your group used AI tools during the current week (if any).

Tasks Planned for Next Week

List the tasks your group plans to work on in the upcoming week.

Issues

List any issues raised by group members and explain how the group addressed them (or why they were not resolved).
